

Learn How to Write A Resume Inventory List

Do you know what the difference is between a Resume Inventory List and a Targeted Resume?

Join us on June 19th and learn how to create a targeted resume using your resume inventory list. During the session, you will also learn other information to include on your master resume, such as:

- All full or part-time positions and skills
- All assignments, special projects and accomplishments you've achieved
- All education, training, degrees, diplomas, certifications, placements or volunteer positions

Thursday, June 17, 2021
