

# TRENDING CAREERS & JOBS POST-PANDEMIC

As the world of work gradually recovers from the effects of the COVID-19 pandemic, experts foresee new trends and emerging careers in 2021 and onwards.

Join us on August 12, 2021 from 1pm to 3pm to learn about new trends and emerging careers such as:

- Security and Public Protection;
- Content Production;
- Health & Safety Administration;
- AI and Machine Learning Specialists;
- Digital Content Creators;
- and much more
