

AI in the Workplace: What Newcomers Need to Know

Understand the Impact of Artificial Intelligence on Today's Jobs

Are you wondering how artificial intelligence (AI) is changing the way we work—and what it means for your career in Canada?

Join this session on May 12, 2026, from 11:00 am - 12:30 pm and learn:

What is AI?

How employers use AI in hiring, scheduling, training, and customer service

Which jobs are growing because of AI—and which are changing

This session will be delivered at
24 Oak Street East, Leamington
ON
