

SKILLS & EMPLOYABILITY TRAINING PROGRAM

Workplace Trade Tour for Youth

June 26, 2026

Leamington Ontario

Have you ever wondered what it's like to work in a specific trade or business? Here's your opportunity to tour inside a local business. During the tour, you will learn about how the business operates, the role of the business in the economy, different career options and pathways and more.

You will also have an opportunity to observe employees in their normal work routines, and ask questions of employees. Employees will also demonstrate the equipment and technology they use on an everyday basis while highlighting the core skills and knowledge they apply in their jobs. If you are interested in attending a workplace tour, or would like more information, please contact Rola Mansour to register.
