

Machine Learning Skills for Newcomers

A beginner-friendly introduction to
how AI is used in today's
workplaces. No tech background
needed

Join this session on August 21, 2026, from 11:30 am - 1:00 pm and
learn:

Basic ideas behind
Machine Learning
and how systems
learn from data.

Where AI shows up
in everyday jobs.

Simple examples of
how predictions and
recommendations
are made

What skills
employers are
starting to expect
in data-driven
workplaces

This session will take place at
660 Ouellette, Windsor, ON
N9A 1C1
