

Workplace Terminology for Greenhouses

Practical Language Session for Newcomers Seeking Work in Agriculture

Are you interested in working in a greenhouse or agricultural setting?

Join us on **June 12, 2025** from **3:30pm - 4:30pm** for a free, interactive session to learn the common words, phrases, and job duties used in greenhouse workplaces across Ontario.

Eligibility: Permanent Resident;
Convention Refugee

To learn more, contact Rebecca Sarkis to register for this in-person session.

What You'll Learn:

- Key greenhouse terms like "pruning," "harvesting," "seeding," "grading," and more
- Job-specific safety vocabulary and instructions
- Common workplace conversations with supervisors and coworkers
- Basic tools, equipment names, and daily task descriptions
- Tips on how to ask for help or clarification on the job
